Take Comfort.

There is life in loving your children,
  There is light in knowing they're gone
To a home that in heaven is garnished
  With a jewel you know is your own.
Your sweet little child, in passing,
  Was needed with kinsfolk above;
To show a star from your circle,
  And carry that lustre of love
Which spirits only can gather
  By tasting of earth and its pain,
Then, passing the fragrance it gathers,
  To the home from whence it came.

Coming is a day of rejoicing
  When man anew shall be born;
When spirit shall re-enter body,
  In the Resurrection morn.
Then you will have your loved ones
  In a circle, true and complete,
And this lesson of loving and losing
Embraces the "bitter and sweet."
So think of the bright star that's shining
  Among heavenly, holy lights—
'Twill keep the gloom from piling,
  The days as well as the nights.

Life withal is a duel
  'Twixt wrong and 'twixt the right,
And to meet the conquest bravely
  We must fight with all our might.
There's the victor or the vanquished,
  At the end of every sun;
If you face the problem squarely
  The proof will always come,
And you'll wear the victor's armor
  As heroes only can,—
Then life's struggles shall bring glory
  Unto woman and to man.

NEKTO is the Family Drink

Drink it at Meal Time

People are just coming to realize the value of a good drink at meal-time. If the drink is the right kind it adds greatly to the enjoyment of the meal.

Nekto is really a meal-time drink. It tastes better than at any other time and being food as well as drink is properly a part of the meal.

Try it in your home. Order a case from your grocer or druggist and enjoy your meals more than ever.
